

2019 Softball T-Ball Through Majors Division Bat Guide

Little League International states several requirements for softball T-Ball through Majors Division bats. These rules exist to help ensure players' safety.

The bat must be a smooth, rounded stick of solid wood or bear the USSSA 1.20 BPF mark.

The bat cannot be more than 33" in length.

The bat cannot have any dents, cracks, or sharp edges.

The bat cannot contain any pine tar or other adhesive substance.

Umpires are empowered to adjudge if bats are in compliance with these rules and to remove a bat from the game if necessary.
